<p>Web Migration Demos</p> <p>Web Migration demos include how the login, navigation, and report process will change for the Core Financial System (CFS), Commerce Purchase Card System (CPCS), Data Warehouse (DW), and Discoverer applications. Each demo will be conducted in a manner to allow users the opportunity to learn the basic login, navigation, and report processes. However, individual sessions utilize a specific set of screens for demonstration purposes, in order to provide end-users with an opportunity to attend sessions with a focus on areas applicable to their role. Demo sessions are categorized as:</p> <ul style="list-style-type: none"> › BOP/RA {Budget Operating Plans & Reimbursable Agreements} › DW/FMC {DW & Discoverer FMC Business Area} › CPCS {Commerce Purchase Card System} <p>2 and 4 hr sessions</p> <p>BOP/RA and CPCS demos are approximately 2 hours, depending upon the number of user questions.
