

SUBJECT: National Ocean Service
Management and Budget Office

TO: Office of the Under Secretary
Staff Offices of the Under Secretary
Administrative Delivery Points

Effective September 7, 2014, the National Ocean Service, Management and Budget office is being realigned. The International Programs Office and External Affairs Division are being abolished. The Information Technology Division is being realigned to report directly to the Deputy Assistant Administrator. The Management and Budget office is being restructured to allow more direct oversight.

The Administrative Division and Formulation and Planning Division are being created. The Resource Management Division is being renamed to the Budget Execution Division. The Policy, Planning and Analysis Division is being renamed the Policy and Constituent Affairs Division.

All staff will remain in the same duty stations. There are no Labor Relations obligations associated with the proposed realignment.
